Our Practice Privacy Policy

GyMEA Medical Practice is committed to providing quality health care for its patients and is bound by the National Privacy Principles. In providing medical care to you, it is necessary for us to maintain files pertaining to your health. Your medical file is handled with the utmost respect for your privacy. The file will be accessed by your medical practitioner and, when necessary - for example in the absence of your usual medical practitioner - by other medical practitioners in the practice. Our staff will be required to handle your file for administrative purposes. All staff are bound by strict confidentiality requirements as a condition of employment and these requirements will always be observed in relation to your medical record and personal information.
